

# *Celebration of Awesome Progress*

*Use your report as a resource to respond to the some or all of the following prompts:*

1. A new development that's made a difference for the students I work with:
2. A new development that's made my job easier/more enjoyable:
3. Something I discovered during the self-study:
4. A new action plan (all or part) that I'm excited about:
5. My personal commitment to see the action plan through:
6. An evidence item that I would like to show:
