

Questions to Think About as Action Plan Is Developed

1. How is this related to student achievement for *all* students?
2. How is this related to teaching and learning?
3. How does this support our vision statement, the learner goals (ESLRs), the standards, and the Single Plan for Student Achievement?
4. What evidence can we collect that will indicate impact on student achievement?
5. How will we collect and analyze the evidence?
6. What role will the schoolwide Focus Groups, Action Plan Committees, Leadership Team, departments, support staff, students and parents play in the implementation and monitoring of the Action Plan?
7. How did we come up with this plan? What data did we use to indicate that implementation of the Action Plan will improve student learning and achievement?
8. Is this possible?
